Grove Church has been a
large part of my life since joining
in 1992 or 93. I've always been
active in church all my life, Grove
offers anything I need in my
life's journey. All my Grove
friends are a good support
group if needed, especially now
with all the world problems.

Home

Grove Church is my place of hope, love, friendship, fellowship. There is a warm welcoming "Hug" as I enter the doors. A Sanctuary from the world's harshness. A visible reminder of God's love for me and everyone, and that He will always hold me lovingly in His arms and gently guide me closer to HIM.

Christian Foundation and
Source of continual support &
growth

Grove Church is family. A support in time of need and a place to enjoy the blessings of life.

Grove has been a foundation and a home for my family and me for many years.

It has provided many opportunities for me to participate in good works, and in times of sorrow, I have felt its loving arms wrapped around me.

A place where we can share in joy and sorrow and know God is always present for each one.

Grove has been a constant thread in my life in the past 25 years. It has been a source of comfort through loss, grief and hardship and shared in celebrations, births and triumphs. Grove is my family.

Grove means working with other caring people to nurture & help people in the congregation and in the wider community.

Grove is so important to me because we set an example for the community we serve. With our service we help so many in need and we help each other to cope with everyday stress, by just caring. We care.

Grove Church is a family of believers with whom I worship God, where I nourish my faith and find opportunities to serve others and live as Jesus teaches to live.
