Tuition Policy: Tuition costs are figured annually based on the September through May school year. Each program offered by the preschool has a set annual tuition rate. Tuition Invoicing and payments are managed by the billing component of the Brightwheel tool.

We offer two payment plans:

- Monthly Payment Plan:** An initial deposit equal to the amount of 2 months' tuition is required for each enrolled program and is due on or before May 15, 2025. The initial deposit is applied to September and May. Monthly payments begin in October. October through April tuition payments are due on the 7th of each month. A late fee of \$15 is assessed if unpaid by the 10th of the month. If you choose to withdraw at any time, the amount equal to one month's tuition is non-refundable.
- Payment In-Full Plan:** You may choose to pay the tuition in full at any time, if the required initial deposit equal to the amount of 2 month's tuition is met on or before May 15, 2025. If you choose to withdraw at any time, the amount equal to one month's tuition is non-refundable.

No refunds are given for illness, vacations, or storm days. Days missed due to illness, family vacations, or weather-related school closings are not made up. Falling one month behind in tuition payments may result in exclusion from the program until payment is made. If withdrawal during the year is necessary, 30 days' written notice is required.
