Kids of all ages are welcome in worship!

We welcome families with children to use our **Grace Space** in the front of the sanctuary.

This purposely designed area allows space for children to fully participate in worship without being confined to a pew. There is ample seating for parents to be nearby to connect with their children as needed.

We also have a Nursery available for infants and toddlers.

### **Living on Purpose!**

What type of disciple are you? Utilizing Michelle Morris's book *Gospel Discipleship*, we are going to look at Jesus's last words in each of the four gospels and how those words were reflective of four different types of discipleship, all intended to grow a meaningful life with Jesus. This series will help us get to know ourselves, each other, and our church better.
