Adopt A Highway

Twenty-Six Bags of Trash and Bragging Rights

When Grove's members come together to pick up trash along the three mile stretch of Whitford Road and Grove Road near church, of course their goal is to clear the roadside of debris. This Spring that meant twenty-six bags of trash that won't end up in the sewer system or in the bubbling creeks that run along the side of the road.

But it has also become a tradition to see who finds the most unusual item. This Spring's oddities included three one-dollar bills and a Wawa credit card, but Rae Guthrie and Kathy Matthews won bragging rights for the oddest item when they found the bleached skull and bones of a large animal, possibly a deer.

Thank you to this Spring's participants: Rae Guthrie, Kathy Matthews, Jeff Parno, Susan Parno, Jeff Popyack. We hope even more members of the Grove congregation will join us in July.

Our Journey of Hope (R) Cancer Care Ministry at Grove seeks to serve persons impacted by cancer (people who have cancer, their loved ones, family & close friends, caregivers) and to create a point of connection between the church and the community that extends the love of God with grace and hope. Toward that end, OJOH at GUMC is supporting the American Cancer Society (ACS) Relay for Life of Chester County, PA, again this year. There are several ways that you can help support this cause as well:

- **Join us** - join our team and come walk with us!
- **Donate** - any amount is appreciated.

Event: Saturday, September 27th from 3pm to 9pm
at 220 Valley Creek Blvd., Exton, PA.
